

# CHIMES FLASHBACK AUGUST 1912

THIS IS A REPRINT OF AN ARTICLE THAT RAN IN THE CHIMES 90 YEARS AGO.

## *Juniors Girls Work of the Parish House*

We have taken two groups of club girls on outings during the past month. The first was a visit to the children's ward of the Presbyterian Hospital—fortunately the majority of the inmates were well on the road to recovery and greatly appreciated the pretty books our girls gave them—one little chap was on his way to the operating room and so the very nicest book was given to the nurse to be kept for him until he was well enough to enjoy it. Those in authority thanked us so heartily, we came away feeling we had brought a little sunshine into the lives of these unfortunate ones.

The following week another group was made up and we took twelve little sacques to be used for the babies at the Daily News Hospital in Lincoln Park. Afterwards we went to look at the animals and flowers in the park, indulged in an ice cream cone and then wended our way home, unable to decide whether we had given or received the most pleasure.☯
